To access the call, participants should dial the applicable telephone number above **at least 5 minutes** prior to the start of the call. An archived version of the webcast will be available for replay on the Investors section of the MediWound website.

#### **About MediWound**

MediWound Ltd. (Nasdaq: MDWD) is a global biotechnology company pioneering enzymatic, non-surgical therapies for tissue repair. The company's FDA-approved biologic, NexoBrid<sup>®</sup>, is indicated for the enzymatic removal of eschar in thermal burns and is marketed in the United States, European Union, Japan, and additional international markets. MediWound's late-stage pipeline product, EscharEx<sup>®</sup>, is an investigational therapy for the debridement of chronic wounds, with potential to become a new standard of care in wound management.
